Behaviour Contract

The College requires both student and parent support in order to ensure a quiet, orderly, safe and clean environment in the College, which is seen as integral for positive learning to take place. The College Behaviour Contract is established to provide an appropriate standard for expected behaviour. The purpose of the Student Behaviour Contract reflects what we require of all students and it reflects the students' responsibilities as members of the WHTC and local community. The Laws of the Land are a part of our rules. If the behaviour is not allowed or desirable in society, then it won't be in school either. The list below is not exhaustive and is expected to act as a guide for students and parents. **It is vital that both students and parents carefully read this contract and acknowledge that they have completed this via Edulink.**

EXPECTED BEHAVIOURS AT WEMBLEY HIGH TECHNOLOGY COLLEGE:

- a) Students should exercise self-discipline both in and out of the classroom; they should treat everyone with courtesy and consideration; they should never distract other students from their work, disrupt a lesson or use inappropriate language.

MISBEHAVIOUR INSIDE COLLEGE

College rules are established to reinforce students' entitlement and to provide an appropriate standard for expected behaviours. These rules reflect what we require of all students and they reflect students' responsibilities as members of the WHTC community. Below are some examples of what the College considers to be misbehaviour, together with a range of sanctions which may be employed. The lists are not exhaustive. Sanctions will vary according to the nature and/or frequency of the unacceptable behaviour or offence. MISBEHAVIOUR OUTSIDE COLLEGE

The College will apply disciplinary sanctions to all breaches listed, particularly where they occur on public transport or in other public arenas. The College may respond in this way when a student can be identified as a member of WHTC and where the good name of the College may be brought into disrepute. In very serious cases, the student may be excluded from College. Even if formal disciplinary action is not appropriate, the College may require to see or advise parents or police and a full note will be kept on file. The College will always involve itself where repercussions of the misbehaviour (e.g., bullying and/or attack) may be deemed potentially likely to recur within the College day and on or near the College's premises.

Behaviour deemed inappropriate outside College includes:

- a) Shouting

If a student is involved in unacceptable behaviour outside the College at the end of the school day, the student will be escorted back to the College and referred to their Year Leader.

MISBEHAVIOUR ON PUBLIC TRANSPORT AND THE LOCAL COMMUNITY

The vast majority of our students behave with care and consideration for each other and for the travelling public in general. This is an expectation of all students. WHTC strongly supports the Transport for London Behaviour Code. Furthermore, the College's own policy is to take strict action against students who misbehave on public transport or the school coaches and/or who put themselves or others at risk. In addition to whatever sanctions pertain to the Transport for London Behaviour Code, WHTC takes appropriate action to deal with such behaviour including liaising closely with the police.

245/483 Bus: For safety reasons, students must board the 245/483 bus directly outside the main entrance of the College (near to the Main Reception). Brent Council have added traffic calming barriers on East Lane to slow the traffic near to these bus stops. In addition, students have adequate space to line up on the pavement without causing overcrowding and/or annoyance to the local community. **Students will be directed back to the school if they are waiting for the 245/483 in other areas.**

STUDENTS ARE NOT ALLOWED TO LOITER IN THE LOCAL COMMUNITY AT ANY TIME OF THE DAY.

Students are representatives of the College and they should, through their behaviour and actions, uphold the good reputation of the College. Any behaviour that is not acceptable in school is also not acceptable outside school.

Uniform

At WHTC we believe that uniform helps every student to develop a sense of pride, community and self-esteem. WHTC will not accept sloppy dress or other expressions of personal appearance which reflect fashion or an overt attempt to make a rebellious 'statement'. When wearing College uniform, students are representatives of WHTC and must be aware that they carry responsibility for the College's reputation. If there is a problem concerning uniform, students should have a note from home in their planners requesting permission to be excused and show it to their Form Tutor (failure to do this may result in students receiving behaviour points and other sanctions).

Not being in full College uniform is also deemed as a breach of the Rules of the College and College Code of Conduct. Students must wear full College uniform when travelling to College, whilst in College, when travelling home from College, when on College outings, at College activities and at Parents' Evenings. If a student attends the College without full College uniform, the College may send the student home to change. In this event, the College expects that the student return to the College promptly and in correct College uniform.

HAIRSTYLES

Pupils' hair must be in a conventional and understated style. For boys, there should be no contrast between the top of the hair and the sides. The College is the final arbiter as to what is considered 'extreme'. Any hair clips or hair bands must be subtle and black or navy blue in colour.

Some specific styles that are not permitted are listed below. However, this list is not exhaustive and the College's decision on what is/is not acceptable is final:

- 'Skin fades' where the pupil's hair is cut below a Number 1 on the sides.
- Patterns shaved into a pupil's hair or eyebrows.
- High or flamboyant hair styles, such as a 'Mohican'.
- Bows, flowers or other adornments in the hair.
- Unnatural colours or extensions.

Whilst the College Code of Conduct attempts to give clear guidance on what is and is not acceptable in the College, this list is not exhaustive and the College's decision on what is acceptable is final. If parents are unsure as to whether a particular hairstyle, uniform item or shoe type will be accepted, they should contact the College to seek advice before purchasing any item.

Mobile Phones

MOBILE PHONE POLICY

The school recognises the increased use and importance of mobile phones in society in general and realises that students benefit from carrying mobile phones for reasons of personal safety. Phones are now increasingly complex with the capacity to video, text, take photographs, and access music, radio and the internet. Mobile phones are an expensive, valuable item and, with this in mind, the College has a strict policy on their usage.

Pupils will be in breach of the College Code of Conduct if **seen** with a mobile phone or if the device is **heard**. Mobile phones should be switched off before entering the school site and should remain switched off until the student leaves the school site at the end of the day. If a phone is **seen** or **heard**, it will be confiscated for 5 school days, **there will be no exceptions to this**. Pupils are expected to hand the phone to a member of staff when asked. Failure to do so constitutes defiance and will be dealt with accordingly as a serious incident at Level 4.

The College cannot undertake time consuming investigations for stolen, lost or misplaced phones. In such instances, parents/ carers / students will be advised to report the matter to the Police.

MISUSE OF MOBILE PHONES (Cyber Bullying/violence/criminal activity)

If misuse of a phone is suspected (bullying, harassment, inappropriate materials), a nominated member of staff is authorised to investigate the matter and if necessary, search the phone. If there are serious concerns, the appropriate external agency (Social Services, Police) will be informed.

Mobile phones are not allowed in exams under any circumstances. Possession of a mobile phone in an exam is considered by Examination Boards to be malpractice and may lead to the disqualification of students. The school has to report the possession of a mobile phone to Exam Boards. Their action so far has been to award the pupil zero marks for that exam.

CONTACTING YOUR SON/DAUGHTER DURING THE COLLEGE DAY

Any parent wishing to contact a child in an emergency should call the Reception. **Please do not attempt to make mobile phone contact with your son/daughter, as this will lead to a breach of the College Code of Conduct.**

In an emergency, your child can make contact with you by requesting access to the College phone at the Pupil Office or Year Leader's Office.

ITEMS BANNED IN SCHOOL

It is important that students do not bring into College items which are unnecessary or easily damaged or lost. Time spent on these items detracts from teaching and learning time. Teaching and Learning is our first priority. Items which are not necessary should not be brought into College and will be confiscated if found. These include:

- | | |
|---|--|
| - Visible mobile phones* | - Personal Stereos, headphones, air pods, smart watches, etc. |
| - Radios | - Videos |
| - Computer games | - Items of jewellery including earrings that are not studs or sleepers |
| - Smart Watches | - Hats, hoodies or other items of non-school uniform |
| - Glass bottles | - Loom bands |
| - Other items considered unnecessary in College | |

***Mobile phones should not be used in any part of the College at any time.**

VALUABLES: Jewellery, mobile telephones and personal stereos, etc. are not necessary in College. Staff will ask for jewellery to be removed and it will be confiscated, if they deem it to be inappropriate or a health and safety risk. The only jewellery allowed is wrist watches and a single pair of plain gold or silver small, stud earrings. The P.E. Department will not accept responsibility for jewellery or large sums of money in changing rooms.

VALUABLES OR LARGE SUMS OF MONEY SHOULD BE LEFT AT HOME. THE COLLEGE CANNOT ACCEPT RESPONSIBILITY IF ITEMS ARE LOST OR STOLEN. STUDENTS ARE NOT ALLOWED TO WEAR JEWELLERY FOR HEALTH & SAFETY REASONS.

- I will not use unauthorised chatrooms.
- I will not interfere with the operation of the network by installing illegal software.
- I will not eat or drink in the ICT Suites.

II. STAFF MANAGEMENT OF BEHAVIOUR

Expectations of Staff

Fundamental aspects are:

- To model exemplary behaviour explicitly; promote self-control, respect and positive character.
- To operate clearly understood rules, reflecting the College's policies and ethos
- To maintain high standards of behaviour at all times.
- To be proactive so that negative behaviour is prevented from reoccurring.
- To apply sanctions consistently and fairly.
- To ensure that targeted interventions are in place for our vulnerable pupils
- To help students meet the minimum expectations making reasonable adjustments when a student has a disability.
- To embed routines and maintain a school culture of consistency and predictability.
- When a student(s) misbehaves, respond promptly and confidently to maintain a calm, safe learning environment.
- To set high expectations of behaviour, work, punctuality, and attendance
- To give clear presentations and instructions
- To set clear goals and meet set targets
- To provide work which is appropriate to students' needs and abilities
- To start and end lessons on time – positively welcoming students at the classroom door.
- To use school systems to commend students for good behaviour, attitude, conduct and achievement

Staff are required to meet these high standards at all times. Where staff fail to meet the professional standards expected, they will be subject to the appropriate capability and/or disciplinary procedure.

- Pupils will need to check the MIS and inform tutees about end of day detentions.
- Planners should be on the desk at the start of every tutorial time and checked at least weekly by the tutor.

- Pupils are permitted to use the Dining Halls during break and lunchtime.
- Year 7 and 8 students will enter Dining Hall 1 using the internal doors which lead out to the main corridor (exit next to science/Gym).
- Year 9, 10 and 11 students will enter Dining Hall 2 using the external doors which lead out to the playground.
- All pupils must be seated in the Dining Halls. This is also the case when queuing for food.
- Pupils must remove their bags and place them on the floor whilst using the dining facilities.

- Staff supervising should ensure that students have cleared their areas and returned their plates before leaving the Dining Hall.
- Latest entry to the Dining Hall is at **13.40**. Pupils must be dismissed from the Dining Halls at the following times:
 - Break 11:07

- No food or drink should be removed from the Dining Halls.

g) EXPECTATIONS IN THE DINING HALL

Students should:

- Be polite, respectful and cooperative at all times.
- Ensure that courteous behaviour (no shouting, entering and exiting the dining hall calmly) is always shown at all times.
- Ensure that bags are placed on the floor.
- Sit in the designated area and ensure that the area is clean after having eaten.
- Ensure that cutlery, plates and trays are neatly placed in the right area.
- Ensure that chairs are placed neatly under tables.
- Not re-enter the Dining Hall once they have left.
- Put all rubbish in the bins provided and ensure their space is left clean and tidy.

h) ROUTINES ON THE PITCHES

- Pupils are only permitted to use their year group's designated pitches before school, during break and lunchtime.
- All staff responsible for supervision at break or lunchtime should arrive promptly at their designated areas at the start of their duty.
- The staff member present should assign teams and ensure that the pitches have been divided correctly.
- Pupils should not be aggressive or reckless whilst participating in their activities. Students who fail to adhere to this rule should be sent to the seating area.
- Footballs should remain below shoulder height for the duration of the match. Pupils who fail to do so must be removed from the game for a 5-minute period. Where students repeatedly kick the ball above shoulder height, they should be directed to the seating area.
- Where a pupil repeatedly does not use the recreation areas appropriately, their Year Leader should be informed, and an alternative lunch provision will be sought.
- Activities on the pitches must be concluded at the following times:
 - Start of the day 08:25
 - Break 11:07
 - Lunch 13:47
- Pupils should be dismissed in the following order:

i) **BREAK AND LUNCHTIME DISMISSAL**

- Pupils should be dismissed from Dining Halls and seating areas in an orderly fashion.
- To reduce crowding at entry points to buildings and unnecessary cross-over of year groups, the dismissal is done in sequence.
- Year 7s are dismissed at 11.07 and 13.47 for break and lunch respectively. They will be followed by Year 8, 9 and Year 10. Finally, the Year 11 cohort will be dismissed from Dining Halls and seating areas. When on duty, please take your cue from the Leadership Team members in your duty area.

j) **WET BREAK ARRANGEMENTS**

In the event of rain at break or lunchtime, we may move to wet break arrangements:

Year 7:	Dining Hall and Gym
Year 8:	Dining Hall, new canopy area near to the Years 8/9 Astro
Year 9:	Dining Hall, new canopy area near to the Years 8/9 Astro
Year 10:	Dining Hall, canopy area near the PE Office and Quiet Study Area
Year 11:	Dining Hall, canopy area near the PE Office and Study Area
Years 12 /13:	Study Café and KS5 LRC

Pupils are not allowed to eat under the canopy areas or anywhere outside of the Dining Halls.

Staff in the Dining Halls should move pupils out to the canopy areas and gym when they have finished eating. Please attempt to keep movement between areas to a minimum and direct any teaching staff on duty at break time to an appropriate area if we move to wet weather arrangements. Please do not direct pupils outside (at 13.40) when it is wet weather - it is important that students are spread over the various venues and do not all end up at one place.

k) **EXPECTATIONS OF STAFF WHILE ON DUTY**

- Arrive on time.
- No mobile phones should be visible – pupils and teachers.
- Whilst the school recognises the need for pupils to expend energy out of lessons, their safety is of paramount importance and conduct putting pupils at risk must be addressed. Incidents of poor or inappropriate behaviour must always be followed up. Level one behaviour such as low-level disruption should be logged on MIS by the member of staff, pupils must log sanctions in the Student Planner. Level two behaviour must be logged and referred to an end of day sanction. There are always members of the Leadership Group on duty to monitor students when they are not in lessons.
- Pupils must always meet the expectations you set for them. The duty areas are professional spaces and your expectations of language, the way pupils interact with each other, etc. should be no different than in your classroom or any other part of the school. Pupils should always have bags with them, be in the correct uniform and behave in a sensible manner at break and lunch.
- Be proactive so that you don't have to be reactive. If you recognise a louder or boisterous group of pupils, move yourself next to them. Ask them to talk quietly to each other and, if they persist and are not conducting themselves properly, take their names and ask the pupils to log an L2 detention. A follow up email to the Year Leader explaining the conduct that you observed is helpful, as it will allow the Year Leader to intervene. However, inappropriate noises/abrupt outbursts are unacceptable; you must log an L3 detention and refer the student to the end of day detention.
- As a member of staff on duty, you are very visible to all the pupils in a duty area. If you do not react when a student fails to meet expectations, all pupils will see and learn from this. Poor behaviour needs to be challenged so that pupils are constantly learning what it means to be in a professional space.
- Before school, break and lunchtimes is a very good time to reinforce standards of uniform. Ensure shirts are tucked in; if pupils are wearing makeup or excessive jewellery, ask them to remove it. Jewellery should be confiscated and given to the relevant Year Leader. Nail varnish or fake nails should not be worn at any time.
- When pupils are dismissed for P3 and P5 is when you should be most observant. The way pupils leave the outdoor spaces and Dining Halls will set the tone for the behaviour in corridors and in their next lessons.
- LG will follow up with staff who are absent from their duty.

I) TOILETS

- a) **All toilets are open from 08.10 - 08.35.**
- b) **Toilets are open during break and lunchtime.**

GIRLS	Year 7 - 11	Toilets adjacent to the Sixth Form Block
	Years 12/13	Sixth Form LRC
BOYS	Year 7	Opposite the entrance to the Gym (via the corridor)
	Years 8/9	Science Block – ground floor stairs
	Years 10/11	Sixth Form Canopy
	Years 12/13	Sixth Form LRC

- c) **Accessibility Toilet** - Exam Hall.
- d) **Gender Neutral Toilet** – next to Attendance Office/Pupil Office.
- e) **At the end of the day:**
 - 14.55 - 15.15**
 - Boys' Toilets under the Sixth Form Canopy.
 - Girls' Toilets next to the East Lane Pedestrian Gate.
 - 15.15 - 16.30**
 - Toilets next to the Attendance Office - report to the WMAT nurse.
- f) **Toilets during lesson time.** Staff should refer to Section A: *Routines and Reminders: Permission to leave a lesson* (Item 11). If there is a toilet emergency, write a note in the Student Planner and send the pupils to the Pupil Office/Medical Room.

Sanctions

There are three type of same day detentions at the school:

Type of Sanction	Type of Sanction	When
Level 1	15-minute Subject Teacher or Tutor Detention	At break/lunch or end of day with the class teacher
Level 2	30-minute Curriculum or Year Leader Detention	At the end of the day with the Curriculum Leader or Year Leader
Level 3	60-minute School Detention with the LG	At the end of the school day LG detention for L3 behaviour. Same day detention for lates.
Level 4	Internal Isolation	Set by the LG.

Whole School Detentions for lateness

- **Level 1** – 15 minutes (1 late mark – Registration, P1/P2/P3/P4) – detention at lunchtime.
- **Level 1** – 15 minutes (Late to P5 only) – detention at the end of the school day.
- **Level 2** – 30 minutes – detention at the end of the day.
- **Level 3** – 60 minutes – detention at the end of the day.

Setting, managing, and monitoring detentions

- The **pupil must log the detention in the Planner**, not the teacher.
- The **teacher must log the behaviour event** on the MIS and set the detention.
- Pupils are expected to self-regulate and take the appropriate steps, so they attend detentions independently.
- **End of day detentions: The highest-level sanction will override all other detentions on the same day.** E.g., If a pupil has an L1 (at the end of the day) and L2 detention, the L2 will take precedence – the L1 will not be carried over to another day.
- If a pupil does not attend a detention, there will be a consequence. The sanction will escalate to the next level and will be actioned on the next school day. **Teachers should escalate missed L1/L2 sanctions. Year Leaders will follow up with any students who miss an L3 sanction.**
- Level 1, 2 and 3 behaviour events are reported to the parents in via the Edulink.
- For serious incidents, e.g., Level 3 abrupt/inappropriate verbal response towards a teacher/pupil – staff are expected to log the response of the student word for word.
- For inappropriate behaviour out of classroom, please describe the pupil's behaviour in full so that this can be communicated to the parents.

The Role of the Subject Leader

Subject Leaders are expected to lead on behaviour and standards within their curriculum area. When a student is removed from a lesson due to receiving an L3 sanction, Subject Leaders will need to find an alternative area within the department for the student to work. Subject Leaders are also expected to monitor detention attendance and follow up with parents when their child is not meeting the expectations of the school in their curriculum area.

The Role of the LG Responsible for the Year Group

LG will lead on addressing behaviour/conduct that is present across the curriculum and/or outside of lessons. When appropriate, LG may wish to provide an alternative area for the student to work. Parents should be contacted and informed of the concern promptly and a meeting with the YL/LG should be scheduled at the earliest convenience.

- Be referred to the Head of Subject or Year Leader who may put them on report.
- Be sent to the Intervention Room
- Interruption of break or lunchtime privileges (isolating the student)
- Letter home or phone call to parents
- Letter of apology and/or reflective essay
- Privileges withheld (e.g., College visits, formal celebration events and sports events) where these serve to enrich the curriculum as opposed to being an examination requirement
- Request that parents attend a meeting at the College
- Temporary confiscation of property
- Be given a modified timetable
- Temporary Isolation
- Internal Exclusion
- Temporary Fixed Term Suspensions*
- Permanent Exclusion*

Note – all instances of sexual misconduct will be punished with internal exclusion or suspension. Persistent sexual misconduct or involvement in a serious incident may result in a permanent exclusion from the College

*SUSPENSION / EXCLUSION FROM COLLEGE

Should a student be suspended from College, the determination of the length of the suspension period will be influenced by the frequency and/or severity of the nature of the misbehaviour and, in the majority of cases, in relation to the student's past record of behaviour in the College. Repeated incidents of less serious misbehaviour may warrant permanent exclusion in appropriate cases even though one such incident may not. On the other hand, whilst permanent exclusion is always regarded as a sanction of last resort, even one incident of sufficient seriousness may warrant permanent exclusion. The Board of Trustees has agreed to follow the Statutory guidance: *Suspension and Permanent Exclusion from maintained schools, academies and pupil referral units in England included pupil movement* updated in August 2024). The College is committed to equality and community cohesion. The Board of Trustees also refers to the College Equality, Anti-bullying and Search and Restraint Policies as part of the exclusion process.

OTHER ACTION OR SUPPORT

Students who have a pattern of poor behaviour and are at risk of exclusion will receive varying levels of intervention that aims to support them in correcting their conduct, including target setting meetings, mentoring, and engagement with external support services where appropriate. If a student is subject to a Pastoral Support Programme (PSP), this is designed especially for them by the College, involving parents and relevant services, setting clear, reasonable and achievable targets to help them manage their behaviour. Some misbehaviour can be a reflection of students' difficulties outside College – the College notes this when sanctioning and when arranging additional support. Students who fail to improve their behaviour after being on a PSP will be at risk of permanent exclusion.

Recognising the Impact of SEND on Behaviour

The school recognises that students' behaviour may be impacted by a special educational need or disability (SEND). When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from students with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid causing any substantial disadvantage to a disabled student caused by the school's policies or practices (Equality Act 2010)
- Using our best endeavours to meet the needs of students with SEND (Children and Families Act 2014)
- If a pupil has an education, health and care plan (EHCP), the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will consider the specific circumstances and requirements of the student concerned.

Examples of our approaches include: -

- Ensuring all students have a personalised Pupil Passport that is shared with staff
- Short, planned breaks for a student with SEND who finds it difficult to focus
- Adjusting seating plans to allow a student with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a student with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of the Intervention Room or Inclusion Room where a student can regulate their emotions during a moment of sensory overload.

ADAPTING SANCTIONS FOR STUDENTS WITH SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider:

- Whether the pupil was unable to understand the rule or instruction
- Whether the pupil was unable to act differently at the time because of their SEND
- Whether the pupil is likely to behave aggressively due to their SEND.

The school will assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

CONSIDERING WHETHER A STUDENT DISPLAYING CHALLENGING BEHAVIOUR MAY HAVE UNIDENTIFIED SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

STUDENTS WITH AN EHCP

If the school has a concern about the behaviour of a student with an EHCP, it will contact the local authority (SENAS) to discuss the issue. If appropriate, the school may request an emergency review of the EHCP.

VULNERABLE PUPILS

Where a pupil has a social worker and they are at risk of suspension or permanent exclusion, the headteacher will inform their social worker, the Designated Safeguarding Lead (DSL) and the student's parents to involve them all as early as possible in relevant conversations.

Where a looked-after child (LAC) is likely to be subject to a suspension or permanent exclusion, the Designated Teacher (DT) will contact the local authority's Virtual School Head (VSH) as soon as possible. The VSH, working with the DT and others, should consider what additional assessment and support need to be put in place to help the school address the factors affecting the child's behaviour and reduce the need for suspension or permanent exclusion. Where relevant, the school should also engage with a child's social worker, foster carers, or children's home workers.

Both the social worker and/or VSH, must be informed when a governing board meeting is taking place, in order to share information. The social worker and/or the VSH can attend the meeting, should they wish to do so.

The Headteacher may cancel an exclusion that has not been reviewed by the governing board. This practice is also known as withdrawing/rescinding a suspension or permanent exclusion. If this occurs, parents, the governing board and the local authority should be notified, and, if relevant, the social worker and VSH.

For vulnerable students, suitable full-time education will be organised from the first day of the suspension/permanent exclusion.

DETENTIONS

When detentions are employed, staff will always attempt to identify particular individuals rather than impose detention on the whole class. While in detention, students may be given assigned or additional work to do. They may also be given tasks to complete in relation to the physical environment of the College e.g. litter patrol. Detentions may be imposed for mid-morning break, lunchtime or after College. Mid-morning break detentions and lunchtime detentions may be arranged without notice. However, in the case of lunchtime detentions, time will be given for students to have lunch.

Responding to Behaviour

SAFEGUARDING

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our Safeguarding Policy for more information.

REASONABLE FORCE

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)
- When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

SEARCHING, SCREENING AND CONFISCATION

- Any prohibited items (listed in the Code of Conduct) found in a student's possession will be confiscated. These items will not be returned to the student.
- We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.
- Searching and screening students is conducted in line with the DfE's latest guidance on searching, screening and confiscation. Please see our Searching, Screening and Confiscation Policy.

OFF-SITE MISBEHAVIOUR

Sanctions may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a student has misbehaved off-site, at any time, whether the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

ONLINE MISBEHAVIOUR

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

SUSPECTED CRIMINAL BEHAVIOUR

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the Headteacher (Mr Best) or the Deputy Headteacher (Mrs Donovan/Mr Kenny) will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

ZERO-TOLERANCE APPROACH TO SEXUAL HARASSMENT AND SEXUAL VIOLENCE

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our Safeguarding Policy for more information.

MALICIOUS ALLEGATIONS

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and students accused of misconduct.

Please refer to our Safeguarding Policy for more information on responding to allegations of abuse against staff or other pupils

Meetings

Effective meetings are about maximising positive contributions and fostering productive communication between all participants. However, sometimes a meeting can be ineffective because:

- Time has not been set aside to prepare for the meeting
- The participants do not stick to the subject
- The participants do not actively listen and/or engage
- Communication is neither clear or concise

In order to make a meeting effective we expect that:

- Staff are prepared for the meeting
- All participants stick to the subject(s)
- Actions are followed up to ensure that all the tasks generated by the meeting are completed
- Accurate records of the meeting are kept
- The outcomes of the meeting are reported to the appropriate people

Confidentiality and data protection: We take our duty very seriously therefore we **will only hold meetings with the parent/guardian contact priority 1 and/or 2.** These are persons with legal responsibility for the child. We do not hold meetings about your child with any another person, unless the meeting is a professional multiagency meeting. If a translator is required, we may involve a teacher or a suitable professional from an external agency e.g. Local Authority. We do not discuss details about your child with another parent.

Request for a meeting: In the first instance, we expect the parent or guardian with legal responsibility for the student to meet with a Year Leader. If a parent/guardian wishes to request a meeting, a note should be written the Student Planner or a letter may be sent to the Year Leader. Year Leaders are not available to meet parents without reasonable notice as they are often supervising children or attending meetings. Therefore, a note requesting a meeting must be written, so that the member of staff is available to discuss concerns with parents. Alternatively, a meeting may be requested by the College. This is usually agreed by telephone and confirmed in writing. Appointment times are logged with the Receptionist.

On arrival at the College: The Receptionist will need to verify the persons have legal responsibility for the child. College staff can only meet with the parent/guardian who has primary legal guardian responsibility for the student (this is logged as priority 1 or 2 in the College database). The content of the meetings is confidential and, for data protection reasons, only legal guardians are allowed to attend student meetings. If a parent requires a companion, the parent should make this request in writing and email it to the school. In the email, the parent should provide the details of the companion: full name, DOB, occupation, any relationship to the student. Companions have a specific remit (to support the parent) and this will be explained before the meeting.

Conduct during the meeting: At all times meetings shall be conducted in an atmosphere of mutual respect with the aim of resolving any issues that may have arisen. Intimidating or aggressive behaviour shall not be tolerated in parent/teacher/student interactions, and meetings may be terminated should this behaviour arise. In the rare event of such an occurrence, the College shall issue a letter outlining the inappropriateness of such behaviour, as behaviour such as this goes against the school's policy of mutual respect. If this aggressive behaviour or harassment by a parent continues, the College may request for the parent/carer not to come into the school until they can assure the school that they will not present in such a manner again.

Following the meeting: Notes from the meeting will be logged in the College database. Action points will be highlighted at the end of the notes. If a parent has met with the Year Leader, and the issues discussed are not resolved, the parent may seek to discuss these concerns with a member of the Leadership Group. Requests should be made via the College reception.

SUSPENSIONS AND EXCLUSIONS

The Role of the Headteacher and WHTC Local Advisory Body

Suspensions and Exclusions are used for the purpose of supporting students to achieve and be safe.

- The Headteacher (Mr Best), has the authority to suspend or exclude a pupil from the College. In his absence, Mrs Donovan (DHT) has the authority to suspend or exclude a student. The LAB and Board of Trustees meet termly to review suspensions or exclusions. Data is shared with them, providing a detailed analysis of the characteristics of the pupils who have been suspended/excluded over the course of the term, and mentioning whether any repeat suspension has been imposed. As part of this report the Headteacher will also share with the LAB the use currently being made of Alternative Provision.
- The Headteacher will notify the LAB without delay of any permanent exclusion (including where a suspension is followed by a decision to permanently exclude the pupil); any suspension or permanent exclusion which would result in the student being suspended or permanently excluded for a total of more than five school days (or more than ten lunchtimes) in a term; and any suspension or permanent exclusion which would result in the pupil missing a public examination.

SUPPORTING A STUDENT FOLLOWING A SUSPENSION

Following a sanction (Suspension or Exclusion), the school will consider strategies to help students to understand how to improve their behaviour and meet the expectations of the school.

This will include:

- Reintegration meetings
- Daily contact with the Year Leader/SENCO or member of the Leadership Group
- A Support Plan with personalised behaviour targets

INDUCTING INCOMING STUDENTS

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

PREPARING OUTGOING STUDENTS

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

TRAINING FOR STAFF

As part of their induction process, all staff are provided with regular training on managing behaviour, including training on:

- The needs of the students at the school
- How SEND and needs impact behaviour
- Behaviour management will also form part of continuing professional development.

MONITORING AND EVALUATING BEHAVIOURS

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusion and suspension
- Use of AP, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Anonymous surveys for staff, pupils, governors, trustees and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be analysed every term by the Headteacher. The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010.

MONITORING

This behaviour policy will be reviewed by the Headteacher and Chair of Governors at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data. At each review, the policy will be approved by the BoT.

Anti-Bullying Referral System

Our Core Values

At Wembley Multi-Academy Trust, we believe that everyone has the right to learn and work in an environment free from humiliation, intimidation, harassment, sexual harassment, abuse and discrimination, where they feel safe and respected for who they are. It is the responsibility of all staff that learning takes place in an atmosphere which is caring and protective.

Key messages

- Be kind
- Show respect
- Always show good manners
- Accept others may have a different view to yours
- Try to understand the other person(s) points of view
- Treat others as you would like to be treated
- Don't hurt others – physically or emotionally

Our Aims

- To create a culture within the school of collaboration, co-operation, courtesy and engagement, with understanding and appreciation of difference, in terms of race, sex, sexuality, disability, religion, appearance, cultural background, family circumstances and perceived ability (high or low).
- To ensure that staff understand what bullying is and how to deal with it effectively, and how to use the referral system appropriately.
- To ensure that we log information on bullying incidents and use our analysis of that data to inform and improve future practice.
- To ensure that students understand what bullying is and feel fully confident that if they report it, it will be dealt with effectively by staff across the school.
- To ensure that staff model positive, respectful behaviour in their interactions with students, colleagues, and parents and carers.

Types of Bullying

Bullying typically demonstrates the following characteristics:

- Repetition – not one-off incidents but frequent and over a prolonged period of time
- Intent – behaviour is deemed purposeful, not accidental
- Clear victim – behaviour is targeted at specific individual or group
- Power imbalance – unequal power, causing stress to one party

It can include:

- Name-calling
- Racist language
- Sexist language
- Homophobic language – particularly the use of the word 'gay' as an insult
- Exerting peer pressure to unduly influence another student
- Excluding or abusing someone because of their race, sex or gender, sexual orientation or gender identity, religion, ability, disability, or appearance
- Inappropriate or unwanted physical or sexual contact
- Making threats and / or demanding money or possessions, including phones
- Hurtful remarks about someone's appearance
- Generating and passing on rumours about others
- Laughing at someone who is hurt or upset
- Threatening or actually physically assaulting another person
- Mocking someone's differences, including accents
- Making a joke at someone's expense and taking it too far so that it becomes hurtful
- Damaging or hiding someone's work or belongings
- Pressurising someone to join in inappropriate behaviour
- Cyberbullying via email, social networks, and mobile phones (see below).

Cyberbullying

Cyberbullying can be extremely humiliating and damaging because of the ease with which the bully can reach a large audience. This includes:

- Using WhatsApp, texts, Facebook, X(Twitter), Snapchat, TikTok, Instagram or other social media to generate or pass on rumours about someone.
- Using WhatsApp, Facebook, X(Twitter), Snapchat, TikTok, Instagram or other social media to pass on images of someone.
- Making videos on mobile phones and posting them on public sites or sending them to others.
- Covertly or without permission recording or videoing another person.
- 'Sexting': This is the sending of sexually explicit digital images, videos, text messages, or email, usually via a mobile phone. It normally (but not always) involves boys putting pressure on girls to send them photographs of the girl naked or performing sexual acts, and then passing these on to their friends.
- 'Trolling' (anonymously posting abusive messages on a profile page or a social media account).
- 'Doxing' (uploading private images or videos to a website or public page).
- 'Fraping' (posting a message on someone's social media account pretending to be that person).

Victims of Bullying

The lives of students who are bullied are made miserable – they may suffer injury, attend school erratically or infrequently, lose self-confidence, and underachieve educationally and socially. Many of the outward signs of bullying can be the same as other indicators of abuse such as non-accidental injuries (including self-harm), low self-esteem, unhappiness, fear, distress or anxiety.

The school recognises that there are groups of students within the community who are vulnerable, and therefore at greater risk of being bullied. Teachers should always be alert to signs of being bullied in these children.

Vulnerable children are those who are likely to be bullied on the basis of:

- Race
- Religion
- Sexual orientation, (including being gay, lesbian, bisexual, or transgender)
- Disability
- Appearance
- Cultural background (including Traveller children)
- Family circumstances (e.g., being a Looked After Child or being a carer)
- Having Special Educational Needs, or being a high achiever

The Personal Development Programme

The school has an extensive PD Programme where the ethos of the school is promoted, and the values are reinforced and made explicit through appropriate examples. It includes:

- Spiritual, moral, social and cultural education and the provision of British Values.
- Exploration of the ideas of empathy, collaboration, courtesy, co-operation, and respect, making explicit what these entail and how they can be acted upon in and out of lessons.
- A weekly reflection which encourages students to reflect upon moral ideas and aim to put them into practice.
- The promotion of a sense of identity across Year groups. This is achieved by rooming Year groups in the same areas of the school so that they can collaborate with each other in developing the tutorial programme.
- The theme of bullying is examined throughout the year and various forms of bullying are discussed with the students through assemblies and tutor time. Students are given advice about what they should do if they witness bullying or they themselves are bullied in the school.

Organisation of the School Site

Staff have been allocated duty positions at break and lunchtimes. Staff must make sure that they are on duty on time and supervising their area. It is not a time to catch up with other staff. Staff must make sure that behaviours in the corridors are challenged. All areas of the school are supervised by Senior Leaders at break, lunchtimes, and after school.

In addition, each Year group is allocated a specific play area for their use, so that the opportunities for older children to bully younger children are minimised.

Expectations of All Staff

The Headteacher is ultimately responsible for the wellbeing of all students and staff.

In order for bullying to be addressed effectively, it is essential that all members of staff are determined to stamp it out and feel confident in addressing it.

To this end:

- All staff receive training at the beginning of the year and throughout the year on the forms of bullying, what to watch out for, the most vulnerable groups, and the systems for dealing with bullying.
- It is expected that all staff follow the referral system for bullying (see below).
- All staff are expected to address all forms of bullying both in lessons and out of lessons. Staff should consistently challenge the use of offensive language; whether racist, sexist, homophobic or generally insulting, making it clear that it is always unacceptable, even when the victims do not appear to object to it.
- Staff should watch for early signs of distress in students – deterioration in work, poor attendance, sudden illnesses, isolation, the need to stay close to adults. These concerns should be dealt with using the referral policy below. It should also be appropriate to refer the student to the Designated Safeguarding Leads. Staff are expected to be positive role models for the behaviour of students, by ensuring that all their interactions with students, colleagues and parents and carers are courteous, thoughtful, respectful, and professional.
- The basic instruction to staff with reference to bullying is: **Listen, Believe, Act.**

The Role of the Governors

The Headteacher will report on bullying incidents to the Governors of the school on a termly basis.
